## 2024/25 Welsh Language Support Grant

Dear Responsible Officer,

The application process for the Welsh Language Support Grant is now open.

The grant is designed to assist recognised awarding bodies in making qualifications regulated by Qualifications Wales available in Welsh.

Please note a review of the Welsh Language Support Grant has taken place and some minor revisions have been made to the Application Guidance and Supplementary Information documents for the 2024/25 grant year. These changes include:

- Clarification of Qualifications Wales' expectation that awarding bodies will not withdraw any qualification within two years of it being awarded grant funding, unless otherwise agreed in advance with Qualifications Wales.
- An additional column to the Supplementary Information spreadsheet for awarding bodies to indicate whether the qualification is underpinned by National Occupational Standards (NOS) and, where it is known at the time of applying, to provide further information on the relevant NOS suite(s)/unit(s).

Please see the underlined text within application documents for further information about these changes.
